WATFORD PHILHARMONIC SOCIETY

Come & Sing Day, 18 June 2016

This event is in part a fund-raising project linked to the first of our 2016/17 concerts, taking place at Watford Colosseum on **Saturday 29th October 2016**. With its theme of **Remembrance**, the concert programme will commemorate the 100th anniversary of the Battle of the Somme.

A major attraction of **Remembrance** will be the appearance on-stage of a very special violin, on loan to us from the Imperial War Museum for the occasion. Made by Kenneth Popplewell – a former leader of Watford Philharmonic Society orchestra – from timber he collected from trees whose roots had survived the destruction of the WW1 battlefields around the River Somme, it is known as **The Western Front Violin**. Funds raised from our ‘Come and Sing’ day will contribute to the cost of borrowing it so that it can be heard once again in the Watford Colosseum in recognition of the WW1 Centenary and played by our current leader, Jeanne Mann.
